Dear Brothers and Sisters,

Condolences President Bojidar Mitev

It is with great sorrow that we learned that Bojidar Mitev, the founder of the Bulgarian Independent Trade Union Federation of Workers in Energy Industry NSFEB-KNSB, died on 28 February 2022. He was an outstanding leader, a real trade unionist and decent man, and a faithful friend to many. Bojidar gave his energy and his life to the service of trade unionism in Bulgaria, of the common good and the Bulgarian people.

We share your grief and pain about the heavy loss for his family, but also for all members of his trade union and not least for Public Services International. Bulgaria has lost an outstanding trade unionist who set the standards for commitment in defending workers' rights and conditions.

We ask you, as his colleagues, the members of his family and his friends to accept our sincere condolences.

ROSA PAVANELLI
General Secretary
